ABOUT THE 13.5KM CLASSIC RACE

Steeped in history, the 13.5km Classic route is THE iconic running challenge against the power and speed of TWO steam locomotives from Belgrave to Emerald Lake Park.

The rolling hills will challenge you throughout the beautiful Dandenong Ranges with the course now comprising a mix of sealed asphalt roads and gravel walking tracks.

There are a total of six rail crossings along the route and competitors MUST give way to Puffing Billy under instruction from race officials.

These courses - combined with the sounds and steam of the two competing race trains and the railway crossings - provide one of the most challenging spectacular fun run locations in Australia.

GOING CUP-FREE IN THE 13.5KM CLASSIC

You asked, we listened. Cup-free was the number one piece of feedback from the past two festivals, so we're making it happen. In 2026, we're ditching 18,000 single-use plastic cups - which are no longer recyclable or compostable in Australia.

HERE'S WHAT THAT MEANS FOR YOU:

- Bring your own drink bottle, collapsible cup, or hydration flask to fill up at drink stations on course (Menzies Creek Fire Station, Emerald, and the Finish Line) Or purchase a Puffing Billy-branded collapsible cup during registration for a small fee
- The 5km and 2km Kids events will still have cups available, but we'd love families to bring a water bottle along too.

TRAVEL & PARKING INFORMATION

SATURDAY 12 SEPTEMBER

SLOWER THAN USUAL TRAFFIC IN EMERALD

Please note that there is a very popular local market in Emerald township held on Saturday. We strongly encourage you to allow an additional 45 mins – 60 mins travel time or to avoid Emerald township on the Saturday.

CAR PARKING

Parking is EXTREMELY limited at Emerald Lake Park. There are not enough car parking spaces for everyone to travel solo.

The Emerald Lake Park car park will close when it reaches capacity.

So, we urge you to find a buddy (or four) and car pool to and from the event or park and ride.

It's cheaper in petrol, better for the environment and you can share the pre-race nerves and the post-race 'runner's high', too.

We also ask that you consider keeping spectators and extra family members to a minimum at the start and finish line.

Recommended Car Parking Locations:

- Lakeside Visitor Centre carpark (~200 spots) - to access, turn left at the fork on Emerald Lake Road, cross over Lake Treganowan and past the railway level crossing. Follow this road around and past the bus drop-off and accessible parking zone. General parking is to your right. Council-operated ticketed machines apply - \$8 flat fee/day.
- Lakeside carpark (~100 spots) – to access, continue straight and past the fork on Emerald Lake Road where you will find a cul de sac of car park spaces. Council-operated ticketed machines apply - \$8 flat fee/day.
Worrell Reserve (15 min walk to finish line)
- Worrell Reserve, Main St, Emerald VIC 3782

Please note that to travel on public transport in Melbourne you will need a myki card.

OPTION 2: PARK AND RIDE ON PUBLIC TRANSPORT

Despite this, we ask you to please plan ahead and reduce car travel to Belgrave wherever possible to reduce congestion. Your transport plan for this year’s Puffing Billy Running Festival should include the following considerations:

- Car Pooling, if possible. Share the pre-race and post-race vibes together.
- Local participants are encouraged to walk / jog to the start line or from the finish line, if possible.
- We strongly encourage family and friends travelling to the event to make their way straight to the finish line at Puffing Billy Railway’s Lakeside Visitor Centre, Emerald Lake Park (rather than to watch the start in Belgrave).

This will occur between 7:30am - 12noon and includes the race route and surrounding roads. Motorists are required to obey directions from Police and Traffic Controllers and be aware of runners on the roads. Puffing Billy Railway apologises for any inconvenience caused to residents and motorists during this period. GENERAL EVENT FAQs

BAGGAGE DROP SERVICE

A free of charge Baggage Drop service is provided to participants of the 13.5km Classic event.

These items will be transferred from the start line in Belgrave to the finish line in Emerald.

All participants must bring their own bag and attach the bag tag (available from the perforated edge on the provided Race Bib) to their belongings. We recommend zippable Woolworth's style bags.

To ensure your bag will find you at the Finish Line, please place it in the Baggage Van near Bib Collection near the Belgrave CFA by 8:20am. This allows the Baggage Van to travel ahead of the race to reach the start line in time.

Important notes:

- Organisers will not be held responsible for the contents of runners' bags.
- It is suggested runners pack lightly with essential items.
- We recommend zippable Woolworth's style bags.
- Please turn off your mobile before placing it in your bag.
- At the Finish Line, Bags will be available for collection in the FUNCTION ROOM inside the Lakeside Visitor Centre. This is PAST the cafe near 'Lakeside Hall'
